

STEP 7 – MARKET RESEARCH

Finance & Property
Research Pty Ltd
www.property-buyers-research.com

We subscribe to market research services and capital growth records etc.

It is difficult for the one off or very occasional investor to justify the cost of this service.

This data is provided within our various reports and is included at no extra cost, in our acquisition fee.

Indeed it is this data that forms the basis in educating our clients to the market conditions and overall returns.
